

**Invitation Letter for the Third Training Session of
“China Intellectual Property Management Network ”(CIPnet)**

Dear Sir/Madam,

We would be very pleased to invite you to attend the Third Training Session of “China Intellectual property management network”(CIPnet) to be held in Nankai University, Tianjin, from November 7 to November 8, 2019.

CIPnet is a capacity-building project named Erasmus+ in the field of higher Education in the European Union, which is jointly sponsored by Chinese universities and European educational institutions, aiming to establish CIPnet by drawing on European experience in technology transfer and intellectual property management of higher education institutions as a platform for improving technology transfer and intellectual property management in universities and promoting regional integration.

The Law School of Renmin University of China and Lingnan Normal University have respectively held the first and second training session of the CIPnet project in December 2018 and March 2019, which have achieved good results. The Law School of Nankai University plans to host the third training activity of this project. Scientific research personnel from various universities in China have been sincerely invited in order to further enhance the ability of Chinese universities in the technical achievement transformation and the intellectual property management.

Intellectual property management experts and legal experts from Poland and Spain have been invited, who focus on capacity for the transformation of sci-tech achievements and the construction of intellectual property management in universities. You could have more details about the project refer to attachment 1 of the invitation letter .

We sincerely invite you to participate in this project training. Please fill in the receipt of the invitation letter and send it to the designated email, if you can attend the meeting.

Yours Sincerely,
School of Law of Nankai University.
